

MATEUS & SEQUEIRA VINHOS

CADÃO ALVARINHO DOC DOURO WHITE

HARVEST	CLASSIFICATION	TYPE	CAPACITY
2021	Douro DOC	White	75 cl

This alvarinho single variety white wine was produced from a single plot located in Tapada Redonda in Valongo dos Azeite, at an altitude of 630 metres. We believe that the Douro Cima-corgo sub-region has an incredible terroir for white grape varieties. The idea of planting alvarinho arose from our ambition to produce high quality whites, taking advantage of the uniqueness of this region, climate and altitude.

VARIETIES Alvarinho

SOIL TYPE Schistose.

TASTING Yellow with greenish highlights. Slight aroma of lychee and orange peel. Intense freshness on the palate with the volume and structure for the necessary balance.

VINIFICATION Careful selection of vineyards with manual harvesting. Controlled alcoholic fermentation of the grapes with total destemming without crushing the masses. Soft pressing and static decanting. Regular and controlled alcoholic fermentation.

MATURATION Stainless steel vats with regular battonage.

**ESTIMATED
LONGEVITY** 2 years

SERVING Recommended temperature 10 - 12°C

ALCOHOL 12.5% alc/vol.
