### CADÃO TAWNY PORT VINTAGE 2014

HARVEST	CLASSIFICATION	TYPE	CAPACITY
2014	Porto DOC	Red	750ml

**VARIETIES** Old Vineyards, Touriga Nacional, Touriga Franca, Tinta Roriz, Tinta Francisca, Sousão, Tinto Cão, Tinta Amarela and other traditional Douro varieties.

**SOIL TYPE** Schistose.

**TASTING** It presents itself with classic aromas of a young and fresh bottled Vintage, with intense notes of ripe wild berries, very aromatic and dense. It ends with great freshness, elegance and intensity. Perfect to be consumed new, but well structured to be able to store for many years in the cellar. It must be served with care as it is a natural wine subject to build up deposits.

**VINIFICATION** After a careful choice of vines, manual harvesting is carried out with criteria of optimal maturation in which the bunches are carefully selected. There follows a manual selection of grapes, which go to small presses with foot treading where they will be vinified in a traditional way.

**SERVING** Recommended temperature 16 - 18°C

**ANALYSES** Alcohol: 19.5 % vol.
